Still making my way, slowly, though the #botany2020 talks. But what I really miss are the #catsofbotany2020. Here's Iris, peeved about being taken to the vet today.

Michelle Cloud-Hughes (@C... 6 days ago

Way @JLandis @SusanStrickler1! A great workshop at the #Botany2020 conference: Building Novel Genomes for New Study Species cyverse.org/building-novel...  
NelsonLab@BTI (@Andrew... 6 days ago

What a fun—but informative—but podcast on #scicomm, including a history of the field! We were glad that you were a part of #Botany2020! :) #BSAscicomm twitter.com/docanddumbpod/...

@docanddumbpod  
Awesome that you guys talked about #scicomm, #Botany2020, #BSASciComm and of course, briefly, the National Mountain Day in Japan! :p I enjoyed this episode!
